

# ROLLINS FORD ROAD PHASE IV

PRINCE WILLIAM COUNTY, VIRGINIA

**CLIENT:**

Prince William County

**CONTRACT AMOUNT:**

\$15.3 million

**DELIVERY METHOD:**

Design-Build

**CONTRACTOR**

Shirley Contracting Company

**COMPLETION DATE:**

May 2014

The Board of Supervisors of Prince William County awarded Shirley Contracting Company, LLC the \$15.3 million contract for the Rollins Ford Road Phase IV Project in Virginia. Shirley will convert a one-mile stretch of including two 365' bridges spanning Broad Rollins Ford Road from two lanes to a four lane divided roadway. In addition, the project team will construct .45 miles of new northbound lanes on Rollins Ford Road between Yellow Hammer Drive and Estate Manor Drive and reconstruction and widening of Vint Hill Road. Construction of two bridges over Broad Run Church Road will also provide residents with a way to travel from Linton Hall Road to Vint Hill Road.

The scope of work includes installation of erosion and sediment control devices, storm sewer pipes, drainage structures, box culvert, as well as stormwater management facilities, curb and gutter, pedestrian sidewalks, and shared use paths.

Additional work includes the installation of erosion control devices, clearing and grubbing, grading, excavation, installing storm sewers pipes and drainage structures, box culvert installation, stormwater management facilities, curb and gutter, placing aggregate, asphalt paving, pedestrian facilities (sidewalk/shared use path), installation of traffic signage and pavement markings, all measures required for the maintenance of traffic during construction, bridge construction, and waterline relocation.
