## Belfort Park Improvements

We are pleased to announce that the Virginia Department of Transportation has awarded Shirley a \$5.2 million change order for the Belfort Park Improvements Project located in Loudoun County.

As part of Shirley's Route 28 Corridor Improvements PPTA Project design-build contract, the project team will improve the internal road network within the Belfort Park area located just east of Route 28. Shirley's scope of work includes a four-lane extension of Glenn Drive and the construction of a four-lane, undivided connection between Shaw Road and Davis Drive.

Construction will begin in the spring of 2014 and complete in the spring of 2015.

Congratulations to everyone involved in this winning effort!
