At Shirley Contracting Company, LLC, we consider Safety to be one of our Core Values. Each of us has the responsibility to ourselves, our families, our co-workers, our clients and the public to ensure a safe work environment - regardless of cost. Our steadfast commitment to safety is fundamental to our continued success.

**ABOUT HCCA:** The Heavy Construction Contractors Association (HCCA) is a Northern Virginia-based, regional, and independent construction trade association. The HCCA represents underground utility contractors, site-developers, heavy construction trucking operations, construction products and goods distributors, construction focused professional firms, municipal public works departments, and other heavy construction interests in the Metropolitan Washington D.C. Area.
