

RIBBON CUTTING CEREMONY FOR DISCOVERY BOULEVARD BOX CULVERT EXTENSION

Lorton, VA - June 13, 2019 - Shirley Contracting Company, LLC (Shirley) joined representatives of Prince William County for a ribbon cutting ceremony to celebrate the opening of Thomasson Barn Road and the completion of the construction of the Discovery Boulevard Extension Box Culvert. This project included the design and construction of the extension of Discovery Boulevard approximately 1,600 feet from the existing terminus to Hornbaker Road.

Speakers at the event included Prince William County Department of Transportation Director Rick Canizales, County Executive Christopher Martino, Director of Public Works Thomas Bruun, and Brentsville District Supervisor Jeanine Lawson.

In November 2018, Shirley started work on constructing the 115-foot triple 10' x 6' box culvert, wing walls and headwall. The project scope also included clearing and grubbing, excavation, grading, erosion and sediment control, temporary seeding, and a five-foot wide sidewalk on the north side that connects Discovery Boulevard to Hornbaker Road. The project finished on time and on budget.
